- Form 10AC- Section 80G Document - - Provisional Approval Number - AAJTS8871LF20214

ABOUT OUR SCHOOL

Suryoday Trust is a non-profit organization running a special school in Nalasopara, Mumbai.

Our main aim is to provide education to children with intellectual disabilities so that they are well integrated into the society.

We currently run the school in 10 rented premises in Nalasopara. We started the school with 2 children. Currently, we have 50 children studying in our school. In these 12 years we have impacted the lives of 250 special children.

OUR PROGRAMS/PROJECT

Functional academics suited for our special children (NIOS Level A, B and C).

Speech and occupational therapy to enhance communication and motor skills.

Sporting activities to develop physical abilities.

Art, Drama and music to aid development.

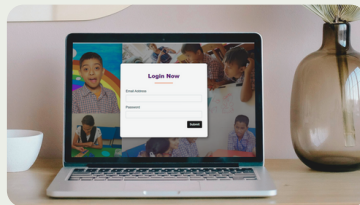

Exposure visits to public spaces to enhance social skills.

Counselling for students and parent to ensure implementation of skills.

Pre-vocational classes to determine individual's skills.

Vocational training to learn skills to earn and income and become independent.

PROJECT: DIGITAL IEP

Suryoday Proposed Solution - A Digital Platform: Owing to the various challenges of using IEP manually in 2019 we created a Digitalized IEP for IEP.

Upcoming Project: Vocational Training & Skill Development Centre.

This year we are planning to start a Vocational Training & Skill Development Centre for children with special needs who are 18+. Initially we plan to start with a bakery unit, stitching unit and computer.

KEY ACHIEVEMENTS

Over the past 12 years impacted the lives of 250 special students.

Digital IEP Project running successfully in 10 special school.

Employed 2 of our special students.

Started the construction of our new special schools.

Conducted online education for our students and maintained the strength.
